Right after we mail your child's latest issue of Tessy & Tab...

we send an email to Grown-ups to tell you which issue is coming, and to provide parent tips related to the content.

Parents can keep track of what to expect, and will know to contact us if the issue does not arrive.

Gift Givers like knowing which issue is mailing – it's gives them a little conversation starter with the child!

Most Grown-ups love this feature. You can unsubscribe at any time. *We will never sell or share your email.*
